HOW TO USE AGCO PART STORE

agcopartsbooks.com

LEARN HOW TO:

- View AGCO parts books online
- Search for parts by model
- Search for parts by browsing books

1

Start the Sign Up Process

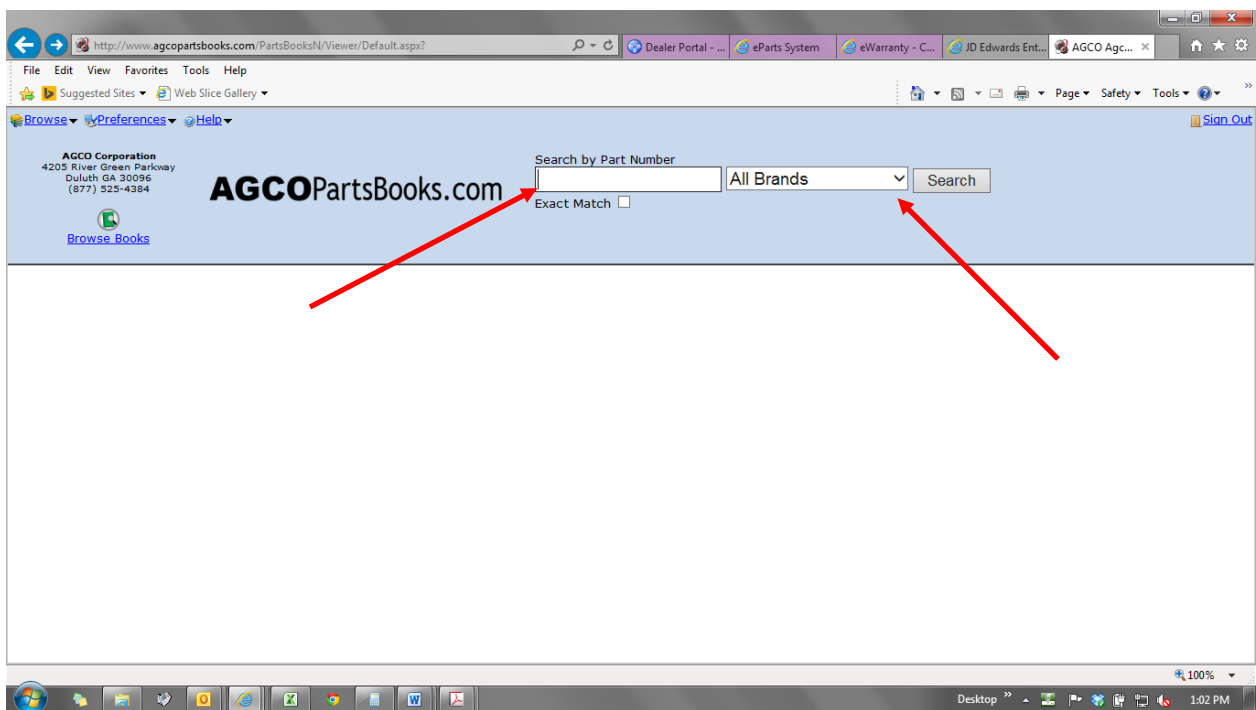

To begin, click the “View Books” button at the bottom right portion of the AGCO Parts Books homepage. The customer account portion of AGCO Parts Books is not available from AGCO at this time. We will alert you on our website when the functionality becomes available.

The screenshot shows a web browser window displaying the AGCO Parts Books homepage. The page features the AGCO logo and the text "Welcome to AGCO Parts Books". Below the logo, there is a "Sign In" section with fields for "User ID", "Password", and "Language", along with a "GO!" button. A "Guest User:" section is visible below the sign-in area, containing a "View Books" button. A red arrow points to this "View Books" button. The page also includes a "Forgot your password?" link and a "change" link for the region. The browser's address bar shows the URL "http://www.agcopartsbooks.com/PartsBooksN/login.aspx?region=NorthAmerica". The Windows taskbar at the bottom shows the time as 12:52 PM.

2

Search for AGCO Parts by Model

AGCO Parts Books online makes finding parts quick and simple. You have the option to search for parts by machine model and by browsing parts books. To search by machine model simply enter the machine model number. You can choose to filter on the AGCO brand (i.e. Massey, Gleaner, Sunflower, etc.) or simply leave the brand setting at "All Brands."
